

Team 3

Weather or Not

11/18/21

11:15 am

Class

Team Members

1. Elaine Franta (Facilitator)
2. Zach Menter
3. Chris Lofgren
4. Nick Pronschinske

Previous Weeks Goals

1. Start database design and implementation - Nick
2. Continue working on tests for activities - All
3. Get API calls working - Chris
4. Start implementing activities using API - All

Meeting Notes

- Want to have all API data displayed by thanksgiving
- After thanksgiving, work on Select and Suggest fragment implementation
- Weekly weather
 - Want to have activity update and always show the next 6 days
 - Ex. if it is Tuesday the weather for Tuesday to Monday is shown
- Almost done with database

Next Week's Goals

1. Nick - Database, Display API in activity
2. Zach - Display API in activity
3. Elaine - Display API in activity
4. Chris - Resolve any API issues
